

NET ZERO HUB SIGNING CEREMONY BETWEEN PT PAN BROTHERS Tbk WITH INDONESIA CHAMBER OF COMMERCE (KADIN)

Jakarta, 5 July 2022, PT Pan Brothers Tbk was involved in the signing ceremony of the KADIN Net Zero Hub Memorandum of Understanding (MoU) located at the Jakarta KADIN Tower which is a symbol of the commitment of the Company and 23 other companies with KADIN in accelerating towards Net Zero. KADIN Net Zero Hub is expected to be a platform to assist Indonesian companies reaching the net zero target. The main mission of this platform is to build strategic partnerships and build a net zero ecosystem in Indonesia by assisting the planning, design, execution and reporting of net zero agendas and mitigation actions for companies. KADIN Net Zero Hub collaborates with global organizations, agencies, institutions and companies to bring the globally adopted net zero framework to the private sector in Indonesia.

The participation of PT Pan Brothers Tbk represents the Company's commitment to actively and progressively accomplish the company's vision and mission related to the SDGs commitments that has been targeted and create a conducive ecosystem to create net zero in Indonesia. The Company and KADIN believe that there is no better time than now to commit and start charting a path to become a leader in the global green agenda.
