

STRENGTHENING INDUSTRIAL RELATIONS WITH A VISIT FROM THE SHANTOU TEXTILE AND GARMENT INDUSTRY ASSOCIATION

Tangerang, 12 July 2023, PT Pan Brothers Tbk (the Company) is pleased to welcome an industrial visit from Shantou Textile and Garment Industry Association to its production facility in Tangerang. The visit aims to strengthen cooperation and knowledge exchange between the two parties as well as an introduction to the capacity and capability of the apparel industry in Indonesia.

This visit is a strategic step for the Company as a member of the Indonesian Textile Association (API) which has been awarded the Industry 4.0 award to expand international networking and collaboration. Shantou Textile and Garment Industry Association is one of the leading industry associations in Shantou, China. During the warm and friendly visit, 10 delegates from Shantou Textile and Garment Industry Association were received by the management of PT Pan Brothers Tbk. The event began with remarks from the Company which expressed appreciation for the delegation's presence and hoped that this visit would bring benefits to both parties.

During the visit, delegates from the Shantou Textile and Garment Industry Association were invited to get to know PT Pan Brothers Tbk's production facilities. They saw first-hand the modern and efficient production process, as well as the high standards applied in every stage of production. The delegates also had the opportunity to interact with the company's management team, exchange experiences, and discuss challenges and opportunities in the textile industry. This meeting is expected to open new cooperation opportunities and deepen understanding of the latest trends and innovations in the global industry along with the commitment to maintain the sustainability of the Company's business.
