

PT PAN BROTHERS Tbk GAINS TOP HUMAN CAPITAL AWARD 2023 #4

Jakarta, 19 October 2023, PT Pan Brothers Tbk (the "Company") received the TOP HC Award 2023 #4 from Top Business at Raffles Hotel, Jakarta.

By evaluating various aspects of human resource (HR) management, the TOP Human Capital award aims to identify companies that consistently implement best Human Resource & Human Capital management practices and have a positive impact on employees, productivity, and business sustainability. For this reason, in the face of dynamic changes in the business world, the companies receiving this award are considered to have been able to prove that investment in human resources is the most important investment and has a sustainable positive impact.

The Company appreciates Top Business for the award received in recognition of the Company's commitment in creating a work environment that prioritizes the quality of human resources. As one of the triple bottom line of the Company's Sustainability, "People" (or HR), is the main axis of the Company's operations. People have been prioritized through the management of Goal 4 of Quality Education in the UN Sustainable Development Goals. The programs to improve the capabilities and competencies of human resources that have been implemented at Pan Brothers have proven to be able to help increase the company's productivity in various business conditions. The Company also highly appreciates the great contribution and support given by the entire team involved in the Company's HR management.

The Company will continue to be committed to moving forward with determination in improving human resource management practices and making a positive impact on employees, the environment and the business.
